### **The School and Community:**

Opened in 1956, Ramona High School is one of five comprehensive public high schools in the Riverside Unified School District. Ramona High School has a culturally diverse population that is 79% Hispanic, 4% Black, 2% Asian, 12% White and 2% Other. Approximately 84% of our students receive free/reduced lunch. 30% participate in Ramona's college readiness program called AVID. For many years, Ramona has been designated as a "National Demonstration School" for its AVID program which prepares first generation, underrepresented students for higher education.

Located in the Inland Empire region of Southern California, the city of Riverside enjoys a diversified economic base. With a population of approximately 316,000, the city is surrounded by various educational institutions such as the University of California, Riverside, California Baptist University, La Sierra University and Riverside Community College. **Ramona High School is accredited by WASC (Western Association of Schools and Colleges).**

## Special Programs:

- **Advancement Via Individual Determination (AVID)** is a four year college readiness program designed to motivate students to seek a college education, teach them necessary study skills, and provide tutorial assistance. Underrepresented and/or socio-economically disadvantaged students with academic potential are eligible for the program. For the past ten years, Ramona's AVID Senior classes receive an average of over 3 million dollars in financial aid every year. Since 2006, an average of 97% of our AVID seniors have been admitted to one or more four year colleges and universities.
- **Ramona Arts Magnet** mentors aspiring young artists in singing, dancing, acting, visual arts, piano, guitar, strings, and instrumental music. Ramona's magnet arts program builds and strengthens each student's creative talents, imagination and character while providing them both the traditional high school and arts conservatory experiences they need to compete globally both in college and in their chosen career.
- **Health and Bio-Science Academy (HBA)** is a career technical education preparing students for healthcare professions and postsecondary education/opportunities. Students participate in job shadowing, mentoring, guest speakers and fieldtrips while earning articulated college credit.
- **Ramona U** is a highly successful program designed to help students recover the credits needed to earn a high school diploma, make up courses for admission into California public universities, and move on to the next phase of their lives. Ramona U students learn that success and new opportunities exist through goal setting and perseverance.
- **MCJROTC** is a Junior ROTC program that develops the leadership and character of the cadets while instilling an understanding of the responsibilities of citizenship.

## Rank/GPA Calculation:

- **Rank is weighted in extra points given in designated Honors and all AP courses.** It is calculated using the grade point average of all marks earned in grades 9, 10, 11 and 12.
- Beginning with grade 9, all subjects, whether passed or failed, are included in the computation for grade point average (GPA). A minimum of 220 credits is required for graduation. **Designated AP and Honors courses are weighted by one point.**
